NATIONAL PRICE GUIDE FEBRUARY 2025

All prices are subject to change
without prior notice. Not all
equipment is available at every
store.

Serving all your equipment hire needs

HIRE CONDITIONS

1. A Customer by hiring or purchasing equipment from Coastal Hire binds itself to and acknowledges that he is aware of the standard Terms and Conditions contained in all documentation signed by the Customer and contained in the application for account or credit facilities. This documentation shall be made available to the customer on request at the premises and has been supplied to the customer in writing.
2. The person entering into the hire agreement and/or collecting the equipment and/or signing the delivery note is duly authorized to do so and acknowledges that Coastal Hire will institute criminal action in the event of Coastal Hire becoming aware that such authority was lacking.
3. Proof of identity and a cash deposit is required for any hire unless credit facilities have been put in place.
4. All risk in the equipment hired shall pass to the Customer against its removal from the Coastal Hire premises albeit by the customer or on request of the customer:
5. It is the customer's responsibility to insure the equipment whilst in their possession.
6. If the equipment is lost, stolen or damaged the customer will be responsible for the full recovery cost of the lost, stolen or damaged equipment.
7. The equipment hired or purchased prior to delivery has been personally inspected by the Customer and appears to be in a clean and in good working order. The equipment must be returned to Coastal Hire in the same condition.
8. Instruction and information is available from Coastal Hire staff and the Coastal Hire Handy Guide regarding the correct specifications and use of the equipment. The Customer must ensure that the hired equipment is used in accordance with such instructions. The Customer will be liable for any damage caused to the equipment due to incorrect usage.
9. The Customer acknowledges that any device given to the Customer by Coastal Hire regarding the suitability of the equipment is given purely based on the information provided by the Customer.
10. Only fuel and additives supplied or endorsed by Coastal Hire may be used in the operation of the hired equipment.
11. It is strictly forbidden to remove air filters from the hired equipment and at all material times the correct oil and lubricant levels must be maintained.
12. When using extension cords the Customer will strictly abide by Coastal Hire's Handy Guide specifications.

Prices are for time out not time used.
